Monitor and manage rooms at scale

Admin dashboard provides real-time and historical reports of room usage, meetings, and devices.

Set room alerts

Assign rooms to different IT managers and also configure alerts that will notify the appropriate individuals when an issue occurs.

Centralized conference room management

Push Zoom Rooms software updates and manage all deployed Zoom Rooms, Cisco, or Polycom rooms from a single admin portal.

Interoperate with existing video systems

Connect Cisco, Polycom, and other SIP or H.323 room systems with Zoom Conference Room Connector.

Delivering a complete room experience

A single Zoom Rooms license includes the following value-added services at no additional cost.
